

Technical Data: Bird Modular Side Tables/Coffee Table

Silk & Wood Interiors

Product Overview

Description

Bird is more than a side table — it's a **modular furniture system** designed for flexibility and creativity. Crafted from **solid ash wood**, its smart design allows users to mix and match elements to form **coffee tables, side tables, or sofa-side companions**.

Available in **two heights** and with **two different top shapes**, Bird consists of **four interlinkable pieces** that can be used solo or in groups.

Ships disassembled.

Finish Options (Metal)	<ul style="list-style-type: none">• Black

BRENA

Nature-Inspired Coffee Table

Description

Brena draws inspiration from the **organic shapes of nature**. With its **generous solid ash tabletop**, curved edges, and attention to wood grain, Brena is a striking yet functional centrepiece.

The tabletop rests on a **black steel structure** finished with **oven-fired paint** for durability and elegance.
