

Technical Data: EGOS Armchair

Silk & Wood Interiors

Product Overview

Egos is designed to adorn contemporary and harmonious interiors where details matter. With the option of two different arm styles and a sliding seat-back system, this sofa offers practical functionality in a refined form. Sofas or modules over 200 cm allow for detachable arms upon delivery. Each arm includes one 37x47 cm decorative cushion.

Description

Egos is designed to complement contemporary and harmonious spaces where every detail counts. Choose between two armrest styles. Sofas or modules larger than 200 cm come with detachable arms for delivery. One throw cushion per arm (37x47 cm) is included. Optional sliding seat and backrest with wide movement range.

Materials & Construction

Component Description

Structure	Solid wood frame, covered with 25 kg/m ³ HR foam. Suspension made with 80 mm elastic webbing (10-year warranty).
Seat Cushion	30 kg/m ³ HR foam + microfiber (down-touch microgel). Internal cotton liner with dividers to prevent deformation. Double stitched.
Back Cushion	Filled with 100% recycled PET-based polyester (ecofill), with dividers to prevent sagging. Fully removable covers.
Legs	Solid beech wood (models: P-12, P-50).
