Available Wood Finishes

English

Wengue

Oak

Light Walnut

Specifications

- **Material Type:** Solid wood or high-quality veneer (depending on model)
 - **Finish Type:** Hand-applied wood stain and sealed with polyurethane or water-based varnish
 - **Sheen Level:** Matte or satin, depending on model or customer preference
 - **Durability:** Designed for indoor residential and commercial use
 - **Sustainability:** FSC®-certified wood available on request
 - **Customization:** Custom stain and color matching available for projects
-

Finish Descriptions

- **Wengue:** A rich, dark brown tone with deep espresso undertones. Modern and luxurious, suitable for contemporary or dramatic interior themes.
 - **Oak (Roble):** A light, neutral finish highlighting wood grain. Offers a clean, natural look ideal for Scandinavian and modern interiors.
 - **Light Walnut (Nogal Claro):** A medium golden-brown finish providing warmth and adaptability. Well-suited for transitional interiors.
-

Care & Maintenance

- Dust regularly with a dry, soft cloth
- Avoid excessive moisture and direct sunlight
- Clean with a damp cloth using mild soap if necessary
- Do not use harsh chemicals, abrasive pads, or ammonia-based cleaners. Re-wax or oil periodically (if applicable to finish)

Additional Notes

- Color and grain pattern may vary slightly due to the natural character of the wood
- Finish options may vary by product or availability
- Samples available upon request for designers and trade professionals
