

Technical Data: LASE Modular Sofa

Silk & Wood Interiors

Product Overview

The **LASE armchair** is a refined fusion of sculptural design and ergonomic performance. Its **wrap-around silhouette** exudes elegance and lightness, ideal for contemporary interiors seeking both style and comfort. Designed with a **single-piece seat and backrest**, LASE offers a seamless and minimalist aesthetic. Anchored to a **swivel base**, this chair adds subtle movement and adaptability—perfect for living rooms, lounges, reading corners, or reception spaces.

Three versions are available:

- **LASE 328BM / 328BQ**: with a warm, organic **wooden swivel base**
- **LASE 328BC**: with a sleek, modern **metal swivel base**, available in Black or White finish

This combination of comfort engineering and clean-lined elegance makes LASE an essential piece for sophisticated interiors.
