

## Technical Data: MUSE 2 Seater - Arm Chair

### Silk & Wood Interiors

#### Product Overview

The **MUSE collection** brings together comfort, playfulness, and modern simplicity in a well-balanced design. Including a **chair**, **armchair**, and **two-seater**, this line is perfect for both **contract use** and **residential environments**.

Muse is designed with a clean silhouette and moderate styling, making it adaptable to a variety of interiors. What truly defines this collection is the **thoughtful selection of fabrics**—allowing each piece to become a **unique, personality-rich feature** in any room. Its casual yet refined character makes it equally at home in hospitality venues, lounges, and modern homes.

---

## Care & Maintenance

- Clean fabric upholstery with a soft brush or vacuum regularly
- Spot clean using mild soap and water; avoid aggressive rubbing
- For wooden legs, use a slightly damp cloth and dry immediately
- Avoid direct sunlight to prevent colour fading
